From Indian Roots to Global Markets

MACEO FOODS PRIVATE LIMITED is an Indian food processing and spice manufacturing company based in Nashik, Maharashtra. We focus on supplying quality spices and spice blends with consistent processing, hygienic handling and dependable B2B service.

Our goal is to connect authentic Indian flavours with buyers across India and international markets through reliable sourcing, processing, packaging and supply. We work with importers, distributors, wholesalers, food businesses, restaurants, retailers and private-label buyers.

All products are supplied on B2B terms. Prices are on request. Product specifications, MOQ, packaging and quality documentation are shared based on buyer requirements.

Powdered Spices

Pure, single-origin style ground spices for food manufacturing, foodservice and retail packs.

Turmeric Powder

POWDERED SPICES

Vibrant golden turmeric powder ground from carefully selected turmeric fingers. Rich natural colour and warm, earthy flavour for food manufacturing, retail packs and foodservice.
